CALIFORNIA LEGISLATURE—1995–96 REGULAR SESSION

**ASSEMBLY BILL**

**No. 2735**

**Introduced by Assembly Member Weggeland**

February 22, 1996

An act relating to parks and recreation, *and making an appropriation therefor.*

LEGISLATIVE COUNSEL'S DIGEST

AB 2735, as amended, Weggeland. State park system: Citrus Heritage State Park.

*Existing law, the California Wildlife, Coastal, and Park Land Conservation Act, authorizes the expenditure of \$10,000,000, as a grant to a local agency, for the acquisition of land in and near the California Citrus State Historic Park located in the Arlington Heights area of the City of Riverside.*

*This bill would instead authorize the city to encumber those moneys for the development of the park, thereby making an appropriation by authorizing those funds to be expended for a new purpose.*

*The bill would declare that this authorization is an amendment of the act within the meaning of Section 6 of the act and is consistent with the act.*
